PROFILE INFO

I am a web designer with over a year of experience, skilled in HTML, CSS, JavaScript, Bootstrap, WordPress, and Photoshop. I excel in creating visually engaging, responsive, and user-friendly websites, with a proven ability to solve complex design problems effectively. As a strong collaborator, I am passionate about staying updated with the latest design trends and technologies, continually delivering innovative solutions that exceed client expectations.

EXPERIENCE

2023 - PRESENT
Desun Technology Pvt. Ltd.
Web & Graphic Designer

- Collaborating with clients, ensuring their brand identity and design preferences are understood and implemented effectively.

- Effectively solving design challenges, ensuring responsive and user-friendly designs across all devices.

- Stay updated on the latest design trends and tools, continuously refining skills and exploring innovative approaches to design challenges.

- Collaborating closely with developers, content creators, and project managers to ensure successful project outcomes.

October 2022 - March 2023
Freelance
Web & Graphic Designer

- Manage client relationships effectively, from initial consultations to project delivery, ensuring clear communication, understanding of requirements, and timely updates throughout the process.

- Create customized design solutions tailored to each client's unique needs and brand identity, demonstrating versatility and adaptability across diverse industries and project scopes.

- Establish transparent pricing structures and project timelines, providing clients with accurate quotes and realistic expectations to foster trust and satisfaction.
